The novel opens with Aunt Polly scouring the house in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom cries out theatrically, "Look behind you!" and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects sadly on Tom's mischievous and how she lets him get away with too much.

Tom comes home at supper time. Aunt Polly asks him if he has been skipping school that afternoon. Tom stories about his adventures. During supper, Aunt Polly asks Tom to get ready to go to school in the morning. Tom and Aunt Polly argue about Tom's education and eventually choose the new school that is more strict and disciplined.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirty clothes and resolves to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Tom passes by, and Tom tries to get Tom to do some of the whitewashing in return for a "white alley," a kind ofaffle, Tom almost agrees, but Aunt Polly appears and chooses him off, leaving Tom alone with his task.
The novel opens with Aunt Polly scouring the house in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom cries out theatrically, “Look behind you!” and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects sadly on Tom’s mischievous and how she lets him get away with too much.

Tom comes home at supper, looking cross and gloomy. He tells a tale about his adventures. During supper, Aunt Polly promises that Tom will not be skipped school that afternoon and went on to look down to see that his collar is still worn from the horse’s back and that his cork sole is still worn from the pavement. Aunt Polly is satisfied.

Tom and the new arrival of his friend Huckleberry Finn cause Tom to be annoyed and arrogant. Tom goes out of the house into a heavy rain storm, and the cold rain drenches him. While wandering the streets of St. Petersburg, Tom meets Jerry Thatcher, and eventually chooses the newcomer as the way home.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirtied clothes and resolves to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Tom passes by, and Tom tries to get him to do some of the whitewashing in return for a “white alley,” a kind of mustard. Tom almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his thoughts.
Current Cancer Research on Etiology, Epidemiology, and Related Biology of Melanomas and Other Skin Cancers.

Areas of research include: Research on the causes of early-stage and locally advanced breast cancer, such as endocrine (hormone) disrupters, environment causes, diet, and lifestyle choices, to find other ways to help prevent the disease. Finding new ways to prevent early-stage and locally advanced breast cancer and to help find breast cancer early.
